**Scene 1**

INT. Bar / Late evening (7:30pm)

Four young friends, boys and girls, (about 9-11 years) are sitting on long black and red stools having fun, while drinking soda and juice. The waitress is so quiet, and doesn't say a word. She is just filling up their glasses, one after another.

Thu 4

Hey, Thu 1! What do you  
want to be when you grow  
up?

Thu 1

I want to be a cook; and  
you?

Thu 4 thinks for a second.

Thu 4

I want to be a doctor.

Quan slowly swivels his head towards Luong.

Quan

How about you, Luong?

Luong

I want to be a train  
conductor; and you?

Quan

I want to be a singer.

Thu 1 swivels her attention back to Thu 4.

Thu 1

Thu 4! Why do you want  
to be a doctor?

Thu 4

Because I want to help  
people.

Thu 1

Do you think doctors  
can help people?

Thu 4

Of course, they can.

Quan

You're right. Doctors

can help people.
